Bede's Summer School 2021: COVID-19, Admissions & Enrolments

Introduction:

The global COVID-19 pandemic has brought unparalleled levels of uncertainty to the 2021 international Young Learner short course markets. It is difficult for any of us to predict the global political, economic and market conditions in July and August of next year, so we are offering complete flexibility and peace of mind for our families in the run up to next summer.

1. No Deposit Payments necessary*

We will not be asking for deposit payments to reserve spaces for the Summer School in 2021. Spaces can be reserved free of charge; however, full payment is still required 56 days before the start of the course.

**In the event that we become full to capacity, we may then need to start charging £600 deposit fees. However, these can still be refunded no questions asked if you would later like to cancel.*

2. No-Questions-Asked Refunds

We will refund all fees paid for any reason at any time up to the start of the course (or, until the student arrives). This means you can cancel at any time and not have to worry about losing money. If your child has to leave early, we will refund the fees corresponding to the time not spent with us.

3. Guarantee of COVID-19 Compliance

No matter what happens, or how the rules change, we will follow all governmental guidance on COVID-19 and healthcare, accommodation, childcare, social distancing, etc.

4. Quarantine Programmes Available

If students from any country are required to quarantine upon arrival in the United Kingdom, we will still be able to offer a them Summer School programme. This may be with some limitations (i.e. no excursions).

5. Full Refunds if we Cancel

If we cannot run the Summer School, we will refund all fees paid. If we have to cancel the Summer School while it is running, we will refund the fees paid for the time not yet spent with us.

6. 2021 Prices Guaranteed for 2022

If you pay for a course in 2021, we will guarantee you the same price in 2022 if you or we cancel the booking.

This is assuming that your child will be eligible for the same course in 2022.

Visas and Payments

The visa regulations for 2021 are still uncertain, and it may be that payment of some or all fees will be necessary before we can issue visa letters. We will advise as to whether this will be necessary in the Spring of 2021; however, we will still offer a flexible refund policy.

The Director of Summer School reserves the right to change these policies at his discretion. Changes will be communicated in writing at least one month in advance, and requests for refunds will still be honoured.
