Prospectus 2027

BEDE'S EXTRAORDINARY SUMMER SCHOOL

Welcome

Bede's is founded on the principle that a truly comprehensive education extends beyond the confines of the traditional classroom. Our programmes are meticulously designed to foster a balanced and enriching experience, integrating academic excellence with creative pursuits and purposeful recreational activities. Our commitment is to cultivate a global community where students from diverse backgrounds can flourish and find joy in their pursuit of brilliance.

The programmes outlined are structured to be both flexible and compelling, allowing each student to tailor their summer experience to specific interests and ambitions.

We are delighted to present our range of residential and day courses for 2027. Set across four campuses in the Southeast of England, Bede's schools offer fantastic facilities, and a wide-ranging and enlightening choice of programmes.

At Bede's, educational quality, student experience and well-being are our priorities. As well as the courses and activities, students take part in excursions to experience the best of the UK, both cultural visits and fun-filled attractions.

With a wide variety of Academies available as optional extras to choose from, there is something to ignite every student's interest and passion. We aim to help each and every student make memories which will stay with them for the rest of their life.

Nationality Mix

Bede's Summer School runs truly international campuses with students attending from all corners of the world. In 2026, we welcomed students from 53 different nationalities across our five centres in the Southeast of England. To promote a diverse, multicultural learning environment, Bede's aims to cap enrolments at 20% for any given native language per operational week.

Accreditations

NINE AREAS OF STRENGTH

Bede's Summer School is accredited by the British Council for the teaching of English as a foreign language in the UK. To obtain accreditation schools must be inspected every four years and meet strict criteria.

Bede's was last inspected in July 2026 and was awarded nine overall areas of strength:

- Strategic and Quality Management
- Staff Management
- Student Administration
- Premises and Facilities
- Academic Management
- Care of Students
- Accommodation
- Leisure Opportunities
- Safeguarding Under-18s

The inspection report stated that the organisation met the standards of the Scheme.

Accredited by the BRITISH COUNCIL for the teaching of English in the UK

ENGLISH UK member

el·gazette Centre of Excellence 2026 – 2027

We are proud **members of English UK**, the world's leading language teaching association with more than 400 members, all accredited by the British Council.

Quality English

Bede's is also accredited by Quality English, an assurance scheme for the best rated independently owned English language schools both in the UK and worldwide. Parents can expect the highest standards of care from QE schools who are measured on the quality of their student feedback plus the academic and pastoral care they provide.

Bede's Ethos & Values

Our Vision

Where every child finds joy in their pursuit of brilliance.

Our Mission

We continue to craft a more joyful education.

- Cultivating a vibrant learning experience, motivating us to pursue our individual best.
- Providing a festival of opportunity, enabling us to discover new passions and develop new talents.
- Building a kind-hearted community, inspiring us to enhance the lives of others.

BE COMPASSIONATE

Because a caring community fosters belonging. We expect our community to show kindness to people of all ages, genders and ethnicities, maintaining campuses where every person feels joyful and energised.

BE COURAGEOUS

Because fortune favours the brave. We challenge our community to stand up for what is right, providing them with a safe environment where they can take bold action in pursuit of brilliance.

BE CURIOUS

Because wisdom can be found off the beaten track. We encourage our community to discover unlikely passions and hidden niches, releasing them into a wealth of opportunities inside and outside the classroom.

BE CONSCIENTIOUS

Because dedication is a spearhead of success. We ask our community to throw themselves wholeheartedly into every endeavour, taking responsibility for their journey and inspiring others to do the same.

Bede's Summer School has the privilege of being part of the St Bede's School Trust, a charitable organisation that puts education, community and sustainability above all else. It is our belief that we should be conscientious and compassionate in all that we do and this is reflected in our provision of Summer School and shared values across all aspects of the Trust.

Safeguarding & Student Care

Safeguarding and the health and well-being of our students is the top priority across the Summer School. All Summer School staff receive training from the Director of Safeguarding and Designated Safeguarding Lead. This training ensures that every member of staff is fully aware of their role and responsibility in maintaining student safety.

A qualified registered nurse will be available to provide medical care and dispense medicines. We ask parents/guardians to notify us in advance of any pre-existing conditions and prescription drug needs. Many of the staff are first aid trained so they are able to deal with small incidents which may occur during activities and excursions. An emergency 24/7 contact number is provided to every student and parent/guardian.

Students are looked after day and night by our on-site, dedicated staff. Each centre has a Welfare Manager and a team of House Parents who work closely together to make sure students feel happy and supported during their stay.

Day Courses

Bede's Day Courses are a great non-residential option for students who are coming to England with their parents/ guardians on a family holiday looking to enjoy the Sussex coast for a summer experience.

PROGRAMME

Offered across all Bede's centres and programmes, Day Courses run from 8.30 to 17.00 Monday to Friday, with a later return on midweek excursion days. Half-day excursions on Wednesdays are included at Eastbourne, Burgess Hill and Dicker, and half-day excursions on Tuesdays (Global English) and Thursdays (Global English, Pathways to Higher Education) are included at Brighton. Students may add the evening option (includes dinner and evening social events) on a daily basis and may also join the Saturday and Sunday excursions (supplements payable, see Registration Form for details).

LESSONS & ACTIVITIES

Day students will join the residential students in classes, which are mixed to ensure they are learning with peers of different nationalities and of the same language ability and age. Day students will also join the varied and exciting on-site activity programme offered as part of the residential courses, or can add any of the available Academies onto their Day Course.

ACCOMMODATION

We recommend that families stay in the local area near our schools, with the closest towns being Eastbourne and Brighton, both of which are located on the beautiful south coast of England. There is a range of options for either of the locations to suit every budget, from self-catering apartments to deluxe 5-star hotels. Families need to book their own accommodation.

Academic Programme

At Bede's Summer School we deliver excellence in student academic programmes. Students learn and develop their love of English through stimulating lessons taught by qualified, enthusiastic and committed teachers.

Each of our centres and courses has a closely defined age range that facilitates the design and delivery of a relevant, challenging and constructive syllabus in line with the Bede's mission. To ensure a rich and diverse international student community, our aim is to maintain a 20% language cap on student enrolments. This approach helps to promote a multicultural environment in every class.

LESSONS

Each course has a different academic curriculum tailored to the age range of the centre. The number of hours of English tuition also varies, depending on the course. Please visit the relevant course pages in the prospectus for further information.

PLACEMENT TEST

Students take a placement test on arrival to confirm their English level. They will then be placed into appropriate classes according to their level and age at the start of the programme.

PROGRESS TEST

Progress tests are carried out by the teachers at the end of each week to monitor and review students' progress and make any necessary adjustments for the following week.

LEVELS

Under the Common European Framework of Reference (CEFR), eight levels are available from A0 (Complete Beginner) to C2 (Proficiency). If a Course or Academy has a minimum level requirement it will be stated on the supplementary information.

1	A0	Complete Beginner
2	A1	Beginner
3	A1–A2	Elementary
4	A2	Pre-Intermediate
5	B1	Intermediate
6	B2	Upper Intermediate
7	C1	Advanced
8	C2	Proficiency

SYLLABUS

The Bede's syllabus offers varied, current and relevant topics to engage, motivate and inspire students. The syllabus is tailored to students' ages, needs and interests.

TEACHERS

Bede's English teachers are suitably qualified according to the Accreditation UK criteria. They are carefully selected during the Recruitment process and undergo lesson observations and take part in continuous professional development during their time at Bede's.

METHODOLOGY

The teaching methodology is communicative and interactive, with creativity and personal expression encouraged. Students participate actively in enjoyable and engaging activities to encourage confidence in spoken English.

OUTCOMES

We present course completion certificates and academic reports, as well as achievement awards in Bede's Leavers' Ceremony, not just for academic achievements, but also to recognise effort and improvement in other areas.

TUTORIALS

Tutorials are available on Friday afternoons, giving students the opportunity to discuss their academic progress with their teachers in one-to-one meetings.

Exams

Bede's Summer School offers IELTS intensive exam courses to allow students to obtain a professional qualification to certify their English level in preparation for future academic study or for their future career.

The exam courses are run as two-week programmes and include dedicated exam preparation instead of regular English lessons. Students sit the exam during their Bede's course, normally in the last week.

Course fees include exam registration. Special arrangements must be requested at least eight weeks in advance and are subject to availability.

Please see Course Summary 2027 for available dates and refer to exam leaflets for details.

On-site Activities & Academies

At Bede's Summer School, we believe that students learn just as much outside of the classroom as they do inside of it. Our on-site activity programme is key to this approach. Students enjoy a wide range of engaging activities and make the most of the high-quality facilities available at all Bede's Summer School sites.

Bede's Summer School understands that all students have different interests. With that in mind, our programmes are designed to have something for everyone that works to the social and cultural benefit of our students combining sports, arts and crafts and challenging competitions.

Each of our boarding school summer centres has a sports hall and fields, as well as multi-purpose indoor spaces and workshops to host the wide array of activities that students will enjoy. Our superb sites allow us to offer varied and exciting activities and evening events in first-class surroundings.

Academies offer professional tuition in a range of sports, leisure pursuits, creative activities and academic subjects, and are designed to increase students' skills, technique and knowledge. Our portfolio of optional Academies perfectly exemplifies our approach towards student-centred learning and programme design. Each student can customise their experience at Bede's with the opportunity to extend and expand their learning in and out of the classroom in small, supervised groups under expert tuition.

Academies can bring many benefits to the students, such as stimulating their creativity, expanding their capacity for reflection and helping them to develop their critical thinking skills. Some raise students' fitness levels and ability, while others help students to improve their self-confidence by challenging them to step outside of their comfort zone. Every Academy, whether it be a sport, creative activity, leisure pursuit or academic subject, will help students to develop their communication skills, confidence in speaking and fluency.

Excursions are an integral part of the Bede's Summer School programme and no two weeks are ever the same! We offer students a complimentary mix of visits to places of cultural and historical interest, as well as chances for sightseeing, shopping and amusement.

With our carefully defined age ranges, excursions across the summer are tailored to the interests of students and are age-appropriate.

Excursions are organised either three or four times a week, depending on the centre. Midweek excursions are half-day visits to local places of interest or to an amusement park or an activity centre, such as bowling or treetop high ropes and zip wires.

Saturday excursions are a full-day trip and include a cultural, tourist or recreational visit to London. A sightseeing option is offered every week to ensure that students get the chance to experience the capital's most famous landmarks.

Sunday excursions are often more relaxing trips to a local seaside town such as Eastbourne, Brighton or Portsmouth; or to an amusement park such as LEGOLAND or Thorpe Park. Students can enjoy themselves on the beach and do some shopping whilst enjoying the sights and attractions on offer, or have an entertaining day in an amusement park.

Little Explorers

Eastbourne

With a beautiful setting at the foot of Beachy Head, an area of outstanding natural beauty, our Eastbourne centre overlooks the sea and is the term-time home of Bede's Preparatory School. This compact centre, founded as the first Bede's School in 1895, has the feel of a family home and offers a safe and welcoming environment for our youngest students. The academic, social and cultural programme is carefully designed to educate and inspire our youngest learners.

The Little Explorers course is full of lessons, activities, events and excursions that give students a great introduction to the UK. Lessons are in small classes with a syllabus and materials perfect for young learners. Activities make use of our outstanding facilities and are designed around the interests of younger students.

The evening entertainment programme provides an opportunity for recreation and fun and is designed to immerse students in the English language and culture in a stimulating and innovative way. Excursions enable students to visit places of interest. Students will go on a half-day trip on Wednesday afternoons and full-day trips on Saturdays and Sundays to our exciting range of historic, cultural and fun attractions and destinations.

LOCATION

Our Eastbourne Little Explorers centre is located at Bede's Preparatory School, situated between the town of Eastbourne, the South Downs National Park and directly in front of the beach.

Academics

This carefully crafted programme, with 17½ hours of lessons per week, consists of English Skills, StoryTime and Explorations, where students learn English through stimulating subjects such as Science, Art, Design & Technology, Geography and History.

Lessons are designed to improve students' general language competencies (including grammar and vocabulary) while placing particular emphasis on communication, fluency and building confidence.

ENGLISH SKILLS

These lessons are designed to improve students' general language skills, extend their vocabulary and better their understanding of grammar, to improve accuracy when producing spoken and written English.

STORYTIME

Working on several different children's stories per week, StoryTime lessons stimulate students' natural curiosity, develop their listening and speaking skills and extend their vocabulary through a range of different activities.

EXPLORATIONS

These lessons use CLIL methodology to develop students' English skills through a range of stimulating subjects such as Science, Art, Design & Technology, Geography and History.

STUDENT AMBASSADORS

Bede's carefully selects high-achieving, year-round students to help in lessons. Under the guidance of our teachers, our ambassadors support students in the development of their communication and interaction skills. Summer School students have the opportunity to interact with them during breaks, afternoon activities and mealtimes which will help build their confidence and provide excellent practice for their English skills in real-life scenarios.

For further information on Academics at Bede's Summer School, please see page 10 of the Introduction.

Leisure

At Bede's we know that learning extends far beyond the classroom. Our leisure programme offers students the chance to explore their passions and shape a summer experience tailored to their personal interests. Learning a new skill, joining in a team sport or simply having fun in a safe and nurturing environment helps build their independence.

Please check the Course Summary for further information on Academies.

SPORTS & ACTIVITIES (AFTERNOONS)

After lessons finish, through a varied choice of activities, students continue to learn through play and exploration. Whether taking to the sports field, exploring hands-on creative arts, or collaborating in games, students have the chance to grow in confidence and make lasting friendships. Examples of afternoon activities include:

SPORTS

- Athletics
- Dance
- Dodgeball
- Football
- Tennis

CREATIVE ARTS

- Baking
- Clay modelling
- Comic Book Creations
- Drama
- Tie Dye T-shirts

SOCIAL EVENTS (EVENINGS)

Evenings bring the whole school together for a shared experience and a lively, collaborative event. However, for students who prefer some quiet time, a more relaxed alternative is provided. Every Friday, there is a Leavers' Ceremony followed by a disco, and every two weeks, a themed dinner such as The Gruffalo or a Mad Hatter's Tea Party. At Eastbourne, social events may include:

- Disco
- Fashion Show
- Karaoke
- Leavers' Ceremony
- Messy Games
- Mini Olympics
- Talent Show
- Themed Dinner

Academies

GYMNASTICS

Bede's Gymnastics Academy offers young students a fun and supportive environment to build fundamental movement skills under the guidance of qualified coaches. Lessons focus on developing flexibility, balance, core strength, and body awareness through age-appropriate routines on various apparatus. Students will grow in confidence and coordination as they learn essential gymnastic techniques and floor skills.

HORSE RIDING

Students on the Bede's Horse Riding Academy have riding lessons and rides in the local countryside, under close supervision. The instructors are experienced in teaching young children for whom this may be their first time on a horse, as well as catering for more advanced riders. Students also have the opportunity to learn about caring for horses, grooming and stable management after their rides. Student height, weight, and experience level are required for this academy.

INDOOR CLIMBING

Bede's Indoor Climbing Academy enables students to develop strength, agility, and problem-solving skills through rock climbing in a safe indoor environment. With expert instructors guiding them, students will learn climbing techniques, safety protocols, and how to conquer challenging routes. Whether for fun or competitive interest, this academy provides a supportive space for young climbers to grow and push their limits.

SWIMMING

For students who enjoy swimming, the Bede's Swimming Academy will help improve their technique in a fun and structured environment. The academy also teaches water safety knowledge and increases overall confidence in the water.

TENNIS

Bede's Tennis Academy offers students the opportunity to improve their tennis skills and technique. Sessions will specifically look at offensive and defensive actions as well as how to position on court and improve their tennis ability.

ZOOKEEPER EXPERIENCE

Bede's Zookeeper Experience Academy offers students an opportunity to become a zookeeper at our very own zoo at the Dicker Centre. Students will help to care for the animals and learn about their welfare and behaviour. Bede's Zoo is home to 70 species of animals including binturongs, squirrel monkeys, lemurs, chinchillas, marmosets, guinea pigs and reptiles.

Excursions

WED | SAT | SUN

Excursions are a wonderful way for Little Explorers to discover new places outside the campus. These trips give students the chance to practice their English in real-life situations, make new friends, and learn about local history and culture in a safe and supportive environment.

During these journeys, students visit famous landmarks, historic castles, and interactive museums. They also enjoy sightseeing in popular cities, shopping for souvenirs, and relaxing at fun attractions and theme parks. Our experienced staff accompanies the students at all times to keep them safe and ensure everyone has a great time.

There is one half-day excursion on Wednesdays and two full-day excursions at the weekend.

WEDNESDAY | EXTENDED HALF DAY

Students will break their regular weekday routine and leave the campus to enjoy a half-day trip to a local attraction and return to campus for dinner and their social events.

Examples of excursions are:
Blackberry Farm, Drusillas Park, Knockhatch Adventure Park

SATURDAY | FULL DAY LONDON

Little Explorers head to London for an exciting day in the capital. Students will be accompanied by Activity Leaders and see all of the sights of Westminster, before having supervised shopping time or heading to an attraction such as Shrek's Adventure or London Sea Life.

Examples of excursions are:
London Eye, London Science Museum, The Paddington Experience

SUNDAY | FULL DAY

After breakfast, Little Explorers will embark on a full-day excursion. Guided by trained Activity Leaders, they will explore and enjoy cities such as Brighton or Windsor or take in some of the best attractions England has to offer such as Chessington World of Adventures or LEGOLAND and return in time for dinner.

Examples of excursions are:
Arundel Castle, Brighton Sealife Centre, LEGOLAND

Burgess Hill

Future Explorers

Burgess Hill

Burgess Hill School, founded in 1906, features a secure 14-acre campus set within a conservation area in the heart of West Sussex. Surrounded by natural woodland and open playing fields, it blends characterful historic architecture with modern, state-of-the-art academic, sports, and performing arts facilities. Conveniently located close to Brighton and London, the school offers a vibrant yet safe community atmosphere. Its comfortable boarding facilities and self-contained grounds make Burgess Hill an ideal site for students seeking a welcoming, inspiring, and enriching summer school experience in Sussex.

Exclusively in Burgess Hill, we are offering an exciting 'Future Explorers' course ideal for 8–13 year olds. The carefully developed course will allow students to challenge their curiosity. Engaging outdoor projects and thought-provoking topics during Mission Possible and Exploration lessons will complement and strengthen their developing English skills.

Professional academies are available in a variety of sports and other activities. The evening entertainment programme provides an opportunity for recreation and fun and is designed to immerse students in the English language and culture in a stimulating and innovative way. Excursions allow students to visit many interesting places. They can visit historic sites like castles, museums, and palaces, see famous landmarks like Big Ben and the London Eye, or enjoy fun days out at a zoo, aquarium, or theme park.

LOCATION

Burgess Hill School campus is only a five minute walk from Burgess Hill railway station on the London to Brighton line and close to excellent road networks, being only 10 miles from Brighton city centre and only 20 minutes from Gatwick Airport. The school is easily accessible for local and international students.

Accommodation

Burgess Hill offers boarding accommodation for boys and girls in Silverdale, a beautiful Edwardian home located on the school campus. Silverdale naturally splits into two wings of 'East' and 'West', which are linked in the middle by communal areas. Bedrooms are modern and there are typically 1–4 beds per room. Students share their bedroom with children of the same age and from different countries which helps them to mix, speak English and build new friendships. Shared bathrooms are located on each floor. The house has a spacious kitchen and common room where students can relax, socialise and have fun.

Facilities

Burgess Hill Schools' buildings date back to 1704 and are a mixture of Victorian and Edwardian villas complemented with contemporary buildings. The site comprises open playing fields surrounded by natural woodland. The numerous tennis and netball courts are all floodlit and provide sport surfaces which are used well into the evening. The floodlit 3G astro provides a superb training facility. The large light dining hall provides a comfortable eating area. Completed in 2014, it is a state-of-the-art drama, performance and music academy encompassing a 320-seat tiered auditorium.

Academics

The Future Explorers course offers a perfect opportunity for students to spark their natural sense of curiosity and fulfil the need for exploration in order to improve English both inside and outside the classroom. This course gives the students an opportunity to mix lessons, activities and excursions well suited for young learners and younger teens curious to explore the world.

This carefully crafted programme for Future Explorers contains 18½ hours of lessons per week including English Skills, Mission Possible and Explorations. Weekly tests are conducted to check progress. Lessons improve students' general language competencies (including grammar and vocabulary) while placing particular emphasis on developing their 21st-century skills and equipping them with soft skills for the future.

ENGLISH LEVELS & CLASSES

ENGLISH SKILLS

These lessons are designed to improve students' general language skills, extend their vocabulary and better their understanding of grammar, to improve accuracy when producing spoken and written English.

MISSION POSSIBLE

In this dynamic lesson, students will work together on real-world "missions" designed to build collaboration, creativity, problem-solving, and communication. Through engaging group challenges, learners strengthen both their language proficiency and essential 21st-century skills, preparing them to thrive in school, work, and beyond.

EXPLORATIONS

These lessons use CLIL methodology to develop students' English skills and spark their inner curiosity through a range of stimulating subjects such as Science, Design & Technology, Geography, Art and History, giving the students a chance to explore their surroundings and develop confidence as a speaker.

For further information on Academics at Bede's Summer School, please see page 10 of the Introduction.

Leisure

At Bede's we know that learning extends far beyond the classroom. Our leisure programme offers students the chance to explore their passions and to shape a summer experience tailored to their personal interests. Friendships strengthen through afternoons and evenings spent learning a new skill, joining in a team sport or simply having fun.

Please check the Course Summary for further information on Academies.

SPORTS & ACTIVITIES (AFTERNOONS)

After lessons finish, through a varied choice of activities, students continue to learn through play and exploration. Whether taking to the sports field, exploring hands-on creative arts, or collaborating in games, students have the chance to grow in confidence and make lasting friendships. Examples of afternoon activities include:

SPORTS

- Athletics
- Dance
- Football
- Rounders
- Tag Rugby
- Tennis

CREATIVE ARTS

- Cooking
- Drama
- Mosaics
- Origami
- Pottery Painting

SOCIAL EVENTS (EVENINGS)

Evenings bring the whole school together for a shared experience and a lively, collaborative event. However, for students who prefer some quiet time, a more relaxed alternative is provided. Every Friday, there is a Leavers' Ceremony followed by a disco, and every two weeks, a themed dinner such as The Gruffalo or a Mad Hatter's Tea Party. At Burgess Hill, social events may include:

- Disco
- Fashion Show
- Karaoke
- Messy Games
- Outdoor Olympics
- Talent Show
- Themed Dinner

Academies

CONVERSATION CONFIDENCE

Bede's Conversation Confidence Academy is designed for students at an A1–A2 level who would like to improve their ability to participate in conversations. Students learn a combination of conversational features such as turn-taking, discourse markers and the language of politeness and put them into practice by having conversations about real life, purposeful and exciting themes.

E-KART RACING

Bede's E-Kart Racing Academy offers students the chance to experience the thrill of electric kart racing while learning the fundamentals of speed, control, and strategy. Students will develop their driving skills and improve their reflexes in a safe and controlled environment. Whether aiming for fun or pursuing competitive racing, this academy provides an exciting introduction to the world of motorsport.

HORSE RIDING

Students joining Bede's Horse Riding Academy will enjoy riding lessons and rides in the local countryside, under close supervision. The instructors are experienced in teaching young children for whom this may be their first time on a horse, as well as catering for more advanced riders. Students also have the opportunity to learn about caring for horses, grooming and stable management after their rides. Student height, weight, and experience level are required for this academy.

INDOOR CLIMBING

Bede's Indoor Climbing Academy enables students to develop strength, agility, and problem-solving skills through rock climbing in a safe indoor environment. With expert instructors guiding them, students will learn climbing techniques, safety protocols, and how to conquer challenging routes. Whether for fun or competitive interest, this academy provides a supportive space for young climbers to grow and push their limits.

TENNIS

Bede's Tennis Academy offers students the opportunity to improve their tennis skills and technique. Sessions will specifically look at offensive and defensive actions as well as how to position on court and improve their tennis ability.

Excursions

WED | SAT | SUN

Excursions are a great way for Future Explorers to safely venture outside of their campus. We offer students the opportunity to visit places of cultural and historical interest, as well as chances for sightseeing, shopping and amusement. There is one half-day excursion on Wednesdays and two full-day excursions at the weekend.

WEDNESDAY | EXTENDED HALF DAY

Students step off campus for a half-day trip to explore cultural, historic, and fun destinations. Beyond breaking up the week, these outings offer activities that extend classroom learning into the real world.

Examples of excursions are:
Brighton Sealife Centre, Arundel Castle, Out of Bounds Indoor & Outdoor Activity Centre

SATURDAY | FULL DAY LONDON

Saturday excursions are full-day trips to London. Students visit famous places like Buckingham Palace, the London Eye, the National Gallery, the Tower of London, and Westminster Abbey. A London sightseeing trip is available every week.

Examples of excursions are:
London Thames River Cruise, London Eye, London Science Museum

SUNDAY | FULL DAY

After breakfast, Future Explorers embark on a full-day excursion. Sunday excursions are more relaxing trips to a local seaside town, such as Brighton or Portsmouth, where students will visit local attractions like the Brighton i360 viewing platform or Portsmouth Historic Dockyard. They return in time for dinner and social events in the evening.

Examples of excursions are:
Portsmouth Historic Dockyard, LEGOLAND, Windsor Castle

Dicker

English Plus

Dicker

English Plus

Dicker, home of Bede's Senior School, is based in a small village in the middle of the South Downs, surrounded by beautiful countryside. Designed to reflect the feeling of life in a rural community, the spacious campus offers accommodation for up to 250 students and has five boarding houses that inspire a sense of community and belonging.

Lessons consist of English Skills, Enrichment and Research Projects. These combine to provide students with a balanced programme of language and academic content, and the opportunity to sharpen their communication and interpersonal skills. The English Plus course also includes afternoon sports and activities as standard.

Students can also create a more intensive study programme by choosing to add an Academic Academy per week in Communication Skills or Psychology. A range of professional Sport, Adventure and Creative Academies are also available as extras.

The evening social programme provides an opportunity for recreation and fun and is designed to immerse students in the English language and culture in a stimulating way. Excursions enable students to enjoy visiting places of interest. These can include a memorable cultural visit to a castle, museum or palace, a visit to a popular tourist attraction such as Big Ben, the London Eye, Madame Tussauds, or something more recreational such as a trip to an aquarium, theme park or zoo.

LOCATION

Dicker is located in a small village in the middle of the rolling hills of the South Downs between the seaside town of Eastbourne and the historic town of Lewes.

Accommodation

The Dicker campus has a total of five boarding houses with bedrooms ranging from single to quadruple and the newest house featuring en-suite singles and doubles. Accommodation is separate for boys and girls. Students share their bedroom with children of a similar age and from different countries which helps them to mix, speak English and forge new friendships. Bedrooms in some houses are arranged in little pods where there is one bathroom for every two to three bedrooms. In other houses, there are communal bathrooms on each floor. The newest accommodation block – Dorms – finished in 2023, features en-suite single and a limited number of double bedrooms. All boarding houses are modern, comfortable and have great social spaces for students to relax.

ENGLISH SKILLS

These lessons are designed to improve students' general language skills, extend their vocabulary and better their understanding of grammar, to improve accuracy and confidence when producing spoken and written English.

ENRICHMENT

During these sessions, students will further enrich their language skills by deepening their cultural understanding of the places they visit during excursions, using real-world materials such as leaflets, word searches, adverts and articles to develop their productive and receptive English skills pre- and post-excursions.

RESEARCH PROJECT

Throughout the course of the week, students do research around a weekly theme or topic of interest which they then present in an agreed way, such as a presentation, performance, song, product pitch or an art exhibition of their work. The aim of Research Project lessons is to develop students team and collaboration skills as well as improve their speaking and interpersonal skills.

There is a fun, competitive element to Research Projects and every student in the winning class, judged by the Academic Manager or Centre Director, is recognised for their contribution and given a small prize.

Academies

CLAY PIGEON SHOOTING

Bede's Clay Pigeon Shooting Academy gives students the opportunity to learn shooting technique in a safe and controlled environment, with qualified instructors. The first lesson includes a safety briefing on how to handle a gun correctly and in a safe manner. The lessons then focus on learning and improving technique for hitting a moving target with accuracy and consistency.

COMMUNICATION SKILLS

Bede's Communication Skills Academy offers students the opportunity to improve their communication skills and confidence to speak English. Through guided preparation, the use of appropriate language and plenty of pronunciation practice, students learn how to communicate their ideas effectively.

FLYING

Bede's Flying Academy offers students an opportunity to pilot an aircraft. Students will have a trained pilot in attendance for the 45-minute flight ensuring that they are able to take control of the aircraft should they need to. The main goal of this academy is to help students gain an understanding of how to pilot an aircraft and can help them with future flying lessons.

GOLF

Bede's Golf Academy is for students wishing to improve their golf technique supported by a professional instructor. The lessons will focus on developing the student's skills and knowledge of the game, practising and analysing the mechanics of the golf swing. Students will also broaden their vocabulary specifically relating to golf.

HORSE RIDING

Students on the Bede's Horse Riding Academy will have a riding lesson and rides in the local countryside, under close supervision. The instructors are experienced in teaching young children for whom this may be their first time on a horse as well as catering for more advanced riders. Students also have the opportunity to learn about caring for horses, grooming and stable management after their rides. Student height, weight, and experience level are required for this academy.

With expert instructors guiding them, students will learn climbing techniques, safety protocols, and how to conquer challenging routes. Whether for fun or competitive interest, this academy provides a supportive space for young climbers to grow and push their limits.

MASTERCHEF

Bede's Masterchef Academy is designed for students who have a passion for food and who enjoy cooking. The classes are fun and informative, giving students the confidence to be hands-on with raw produce and kitchen equipment. In each session, students create a savoury and sweet dish inspired by different international cuisines.

PADEL

Bede's Padel Academy offers students an engaging environment to learn and develop their skills in one of the world's fastest-growing racket sports. Guided by experienced coaches, the sessions focus on mastering fundamental techniques, positioning, and tactical awareness on court. Students will build dynamic agility and hand-eye coordination while gaining confidence through regular match play.

PSYCHOLOGY

Bede's Psychology Academy is for students who are curious about how the mind works and why people behave the way they do. Through interactive sessions and real-life case studies, students will explore key psychological theories and gain a deeper understanding of human thought, emotion and behaviour.

TABLE TENNIS

Bede's Table Tennis Academy is designed for students seeking to refine their precision, reflexes, and game strategy under expert guidance. Lessons concentrate on enhancing stroke mechanics, serve variations, and footwork patterns to improve overall performance. Students will deepen their understanding of the sport's subtle tactics while developing sharp focus and consistency.

TENNIS

Bede's Tennis Academy offers students the opportunity to improve their tennis skills and technique. Sessions will specifically look at offensive and defensive actions as well as how to position on court and improve their tennis ability.

Excursions

Pro Tennis

This specialist programme is designed for keen tennis players aged 12–17 who play regularly and are looking to elevate their game under the guidance of experienced professional coaches. Students will benefit from technical coaching and specific tennis-related strength and conditioning training, as well as sharpening psychological aspects of their game, such as developing resilience and a tactical mindset.

Students on our Pro Tennis course can choose between two options:

Language & Tennis: Combines professional tennis coaching with daily English language lessons.

Complete Tennis: A full-immersion programme focusing entirely on tennis training, tactics, and match play.

TENNIS INSTRUCTOR

Delivered by the Bede's Director of Tennis and LTA performance coaches from Bede's School, players will hone technique whilst training like professionals. Francesca Byrne played for Great Britain U18s and competed internationally, nationally and represented Sussex at every age group. She was formerly tennis coach to all levels at the Bath International Performance Centre between 2009 and 2013. Currently, she is the Director of Tennis at Bede's and Tennis Eastbourne, as well as an LTA performance coach.

COURSE CONTENT

Students will master essential tennis techniques, from powerful serves to strategic volleys, while developing advanced match strategies tailored to their unique playing styles. The course also emphasises mental resilience and fitness conditioning, ensuring players not only enhance their skills but also cultivate a winning mindset.

LANGUAGE AND TENNIS PROGRAMME

This course is for players who want to improve their tennis and learn English at the same time. Each week, you will have 14 hours of English lessons and 12 hours of tennis training. On the court, you will practice important skills like strong serves, smart volleys, and good match tactics. You will also improve your physical fitness and learn to stay calm under pressure. In the classroom, you will develop your English through English Skills and Enrichment lessons.

COMPLETE TENNIS PROGRAMME

This course is for players who want to focus only on tennis and train like a pro. Instead of language classes, you will spend your time on the court with expert coaches. You will work on your technique, from powerful shots to custom match strategies that fit your style of play. The training also focuses on physical fitness and mental strength, helping you build a winning mindset and prepare for hard matches.

Pro Tennis students will join Dicker's English Plus students on Wednesday half-day and weekend full-day excursions for the exciting cultural and historic destinations and attractions around London and the South of England.

Pro Legat Dance

This specialist programme helps students to develop their dance technique and repertoire, as well as giving them invaluable experience of performing to a live audience.

Students on our Pro Legat Dance course can choose between two options:

Language & Dance: Combines professional dance tuition with specialist teachers along with daily English language lessons.

Complete Dance: Provides an intensive, immersive experience designed to give aspiring dancers a taste of full-time vocational training.

LEGAT DANCE

The Legat Dance Academy was started by famous Russian ballet dancers Nikolai Legat and his wife, Nadine, after they moved to England in 1926. Their London studio trained famous dancers like Dame Ninette de Valois, founder of The Royal Ballet. In the 1990s, the academy moved to Bede's Senior School. Today, led by Sherrie Pennington, the school teaches traditional classical ballet along with modern styles like Jazz, Contemporary, and Commercial dance. This helps prepare young students for top dance colleges and professional careers in famous shows.

COURSE CONTENT

The programme provides an intensive, immersive experience designed to give aspiring dancers a taste of full-time vocational training. Led by our expert resident faculty and visiting guest artists.

LANGUAGE AND DANCE

This course is for students who want to practice dance and improve their English at the same time. Every week, you will have 14 hours of English lessons and 12 hours of dance training. In the dance studio, expert teachers will help you work on your technique, movement, and performance skills so you can grow as both a dancer and an English speaker. In the classroom, you will develop your English through English skills, Enrichment and Project lessons.

COMPLETE DANCE

This course is for dedicated dancers who want to focus only on training and spend all their time in the studio. Instead of language classes, you will have 26 hours of dance per week. During the training, you will work with professional teachers to learn new routines, improve your flexibility, and build strong technique. This full-time course helps you develop your fitness, stage presence, and passion for dance so you can take your skills to the next level.

COURSE CONTENT

Step into the wild and learn to survive like Bear Grylls! In this action-packed course, adventurers discover the essentials of outdoor survival – how to build a shelter, navigate with orienteering skills, and master the art of fire building. The journey ends with the Ultimate Challenge, where teams put their new skills to the test. Along the way, kids build resilience, teamwork, and confidence – ready to take on any adventure nature throws their way!

LANGUAGE & ADVENTURE CAMP

This course is for students who want to practice English and enjoy outdoor activities at the same time. Each week, you will have 14 hours of English lessons and 12 hours of adventure activities run by the Bear Grylls Survival Academy. Outside, you will use your language skills while taking on exciting real-world outdoor challenges. In the classroom, you will develop your English through English Skills and Enrichment lessons.

COMPLETE ADVENTURE CAMP

This course is designed for active students who want to focus only on outdoor survival skills and adventure. Instead of language classes, you will spend 26 hours every week doing activities with expert instructors from the Bear Grylls Survival Academy. You will learn practical survival techniques, work in teams, and test your physical skills in action-packed challenges that build confidence and resilience.

EXCURSIONS

Every other Wednesday, students visit a local water site to learn vital survival skills. In these fun, active sessions, you will build teamwork and problem-solving abilities through tasks like building rafts, steering them, and learning land and water safety rules. On the alternate Wednesday, you will join students from other courses for an enjoyable half-day trip to explore local attractions.

At the weekend, the adventure continues with two full-day trips! Every Saturday, students travel to London for an exciting full-day trip to see famous landmarks, go shopping, and experience the city. On Sunday, everyone enjoys another full-day cultural excursion to historic places and popular destinations across the South of England, giving you plenty of time to explore and make new friends.

BRITISH STUDENTS

Football training includes playing with British students. This allows international students to improve their English skills in a natural and authentic way. On average there are 25% British students across the summer.

WORKSHOPS

Players will take part in various workshops which look to create the 'complete player'. Examples include Injury Prevention, Band Work, Stretch & Roll, Nutrition & Hydration, Goal Setting, Pilates, Video Analysis and Strength & Conditioning.

METHODOLOGY

Sessions are structured, progressive and gradual. The training process is competitive, but enjoyment of the beautiful game takes priority over a 'win at all costs' mentality.

EXCURSIONS

Every Wednesday students visit a Premier League stadium for a behind-the-scenes tour. At the weekend, the adventure continues with two full-day trips! Every Saturday, students travel to London for an exciting full-day trip to see famous landmarks, go shopping, and experience the city. On Sunday, everyone enjoys another full-day cultural excursion to historic places and popular destinations across the South of England, giving you plenty of time to explore and make new friends.

Zoology & Animal Management

This four-week programme is perfect for future Veterinarians, Zookeepers, Animal Biologists and those with a love and passion for animals. This course provides a superb opportunity for those pupils who wish to work with animals, wild or domestic, or who wish to have something unusual to sit alongside their scientific qualifications. Students will be able to move on to study veterinary medicine, veterinary nursing, zoology, conservation – and many other courses not directly connected with animals.

PROGRAMME INTRODUCTION

Bede's Summer School is delighted to be offering this hands-on, immersive course with unprecedented access to Bede's Zoo under the expert tutelage of our Zoo Managers and Zoologists. Combining Animal Management and Zoology workshops with practical sessions in Bede's Zoo in the morning, this programme is enhanced by practical animal care sessions in the afternoons, which enables students to improve their general English language skills, practise communication and build confidence in public speaking.

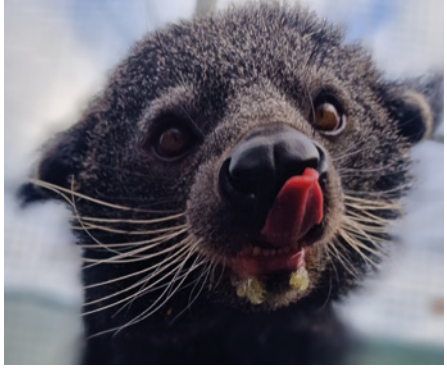

BEDE'S ZOO

Situated at Bede's Senior School, Dicker, the Zoo is home to about 70 different species of mammals, birds, amphibians, reptiles, fish and invertebrates. Catering for their individual enrichment needs can be quite a challenge as each animal has different requirements, as a snake isn't going to need the same enrichment as a Squirrel Monkey. As a school, we are enormously lucky to have such a facility in our portfolio. In Animal Management, students look after a range of zoo animals, and help with the dormouse breeding programme to increase numbers in the wild.

ANIMAL HUSBANDRY

Students learn about animal welfare and ethics, animal health and disease, animal behaviour, practical animal husbandry and work experience in the land-based sector.

ANIMAL CARE & BEHAVIOUR

We feel that a connection with animals is enriching, calming and fulfilling. Feeding mealworms to a gecko, trying to exercise a kinkajou, or listening to the calls of our primates – brings something to the lives of the young people who are privileged to be able to enjoy these opportunities.

ANIMAL HANDLING

Students look at wildlife conservation, both in captivity and in the wild, the ethics of keeping animals in captivity, how to health check their pets, and perhaps most enjoyably – take part in animal handling and feeding sessions, e.g. they are able to spend time feeding the white-faced owl, cleaning out the royal pythons' vivarium, or rearranging the branching in the home of the Siberian chipmunks.

SPECIALIST ANIMAL CARE

Under the guidance of Bede's experienced Animal Management team, students will engage in practical animal husbandry and handling across Bede's diverse range of species. In addition, the afternoon programme will include engaging short courses designed to give students a taste of specialist animal careers. They will learn the ancient art of falconry, understanding the care, training, and handling of these magnificent birds. They will explore the responsibilities of Farm Animal Management, from livestock welfare to sustainable farming practices. The afternoon sessions are led by industry professionals, providing unique insights and a deeper understanding of these fascinating fields beyond the textbook.

ZOO VISITS

The programme also enables students to look beyond our own school campus. Students will get the opportunity to visit at least two Zoos locally in the duration of their course, where they will have the opportunity to take part in talks and get a unique behind-the-scenes access on visits.

EXCURSIONS

Zoology & Animal Management students will join Dicker's English Plus students for full-day excursions at the weekend to explore exciting, cultural, and historic destinations around London and the South of England. On Wednesday, Zoology students will go on an immersive, full-day zoo excursion.

TYPICAL DAY

Zoology and Animal Management students will receive 18 hours of tuition per week. Specialist topics include animal welfare and ethics, practical animal husbandry, animal behaviour, animal classification and conservation.

Business Leadership

This intensive programme, available at Dicker, combines classroom-based teaching with practical visits to business organisations during specialised mid-week excursions.

Bede's Business Leadership course is designed to equip students with the essential skills and mindset needed to become a future leader in the dynamic world of business. Whether considering a career in finance, marketing, entrepreneurship, or management, this programme offers a unique opportunity to gain practical experience and theoretical knowledge in a fun, engaging, and collaborative environment.

Bede's students will not only develop core business knowledge but also acquire crucial 'soft skills' that are vital for success. Throughout the course, students will learn to communicate effectively, solve problems, and negotiate confidently. Through collaborative projects, students will enhance their teamwork abilities and learn how to motivate and inspire others. This comprehensive approach ensures students are not just learning theory but actively building the practical skills needed to lead with confidence and make a real impact.

Global English and Pathways to Higher Education

These two carefully crafted courses are designed to provide academic training and guidance to ease the transition towards higher education in English for both younger and older teenagers.

Students on the **Global English** course develop their critical thinking and problem-solving skills whilst researching global problems and debating as future leaders how to take action and transform the world around them. Students on the **Pathways to Higher Education** course follow a more intensive academic programme with a focus on exploring the language needed in university contexts as well as a specific subject area in order to fully engage themselves in their preferred field. These fully-inclusive programmes include age-appropriate social events and recreational activities that make the most of the proximity to Brighton city centre and coastline.

LOCATION

The University of Sussex is the only university campus in England that is surrounded by a National Park, so you can walk straight out of the campus into the wonderful Stanmer Park on the South Downs, with views of Brighton's Amex Stadium.

The modern campus is just 10 minutes away by train from the cosmopolitan city of Brighton and regularly serviced by buses.

Accommodation

Students benefit from the newest accommodation block on the University of Sussex campus. Lullington residences offer lockable single bedrooms with en-suite bathrooms in a modern student residence on campus which are grouped in flats of eight. En-suite bathrooms are located in each room and equipped with a shower, washbasin and toilet. Students get a unique experience of sharing the flats with students of similar age and different nationalities. Each flat has a big common area with a kitchen and sofas for students to relax in, as well as a designated study room per floor for quiet self-study. Each student will receive their own key card for their bedroom providing secure access to accommodation. There is also a noticeboard in each flat for information and messages. All students under the age of 18 will be accommodated separately to those who are older.

Academics

GLOBAL ENGLISH

This inspiring study programme, with 20 hours of lessons per week, is specially designed for teenagers aged 13–17 who want to explore real-world issues as emerging global citizens, critically examine the challenges facing their generation, and develop the skills to navigate the world around them.

ENGLISH LEVELS & CLASSES

Global English		
A0	Complete Beginner	
A1	Beginner	
A1–A2	Elementary	
A2	Pre-Intermediate	•
B1	Intermediate	•
B2	Upper Intermediate	•
C1	Advanced	•

GLOBAL ENGLISH SKILLS

The morning Global English Skills sessions build overall language proficiency across all four core skills while exploring modern global issues. Students sharpen their public speaking and presentation techniques by analysing inspiring TED Talks and creating their own presentations, all while expanding their vocabulary around contemporary global topics.

For further information on Academics at Bede's Summer School, please see page 10 of the Introduction.

GLOBAL DEBATE

These collaborative sessions prepare students for dynamic team debates. Through hands-on workshops focused on internet research, media literacy, and critical thinking, students investigate modern challenges, such as digital ethics, mental health and social equality and learn to evaluate sources, construct logical arguments, and propose practical solutions to the issues that impact their lives and futures.

GLOBAL PROJECT

Throughout the week, students collaborate to research and analyse a modern global issue, exploring how large-scale societal challenges connect to their own lives as older teenagers. Working in teams, they present their insights through creative media, such as blog posts, original songs, podcasts, or digital presentations. These sessions aim to develop not only students' speaking and communication skills but also their social and interpersonal skills, as well as broaden their perspectives on life in the future.

A friendly competitive element adds to the excitement of Global Projects, with the Academic Manager or Centre Director judging the final presentations and awarding prizes to the winning team.

ONE TO ONE TUITION

Exclusively in Brighton, students can add extra one to one tuition to supplement their English language experience. These lessons are tailored to meet their personal language learning needs.

Leisure

At Bede's we know that learning extends far beyond the classroom. Our leisure programme offers students the chance to explore their passions and to shape a summer experience tailored to their personal interests. Friendships strengthen through afternoons and evenings spent learning a new skill, joining in a team sport or simply having fun.

Please check the Course Summary for further information on Academies.

SPORTS & ACTIVITIES (AFTERNOONS)

After lessons, Global English students participate in a full programme of sports and recreational activities. It is an opportunity to carry on learning outside the classroom in small, supervised groups at the same time as having fun. Students choose their preferred sport or activity from a daily list of options. Examples of afternoon activities include:

SPORTS

- Basketball
- Football
- Tennis
- Ultimate Frisbee
- Zumba

CREATIVE ARTS

- Bake Off
- Illustration
- Jewellery Making
- Mosaics
- Sculpture Projects

SOCIAL EVENTS (EVENINGS)

Evenings bring the whole school together for a shared fun experience. Social Events are always the perfect time for students to mix and enjoy themselves with their new friends. Every Friday, there is a Leavers Ceremony followed by a Disco. At Brighton, social events may include:

- Board Games Night
- Casino Night
- Disco
- Escape Rooms
- Karaoke
- Movie Night
- Nature Walk

Excursions

TUE | THU | SAT | SUN

Brighton students have ample opportunities to visit places of cultural and historical interest, as well as chances for sightseeing, shopping and amusement. Whilst Pathways to Higher Education students experience Brighton during social events in the evenings on weekdays, Global English students venture outside of the campus on Tuesdays and Thursdays to gain a deeper understanding of the cosmopolitan cities of Brighton and London. Uniquely, for weekends, Bede's Brighton students will consult with the Bede's Summer School Activity Manager to help design their own excursion programme for the weekends. This means that the destinations and attractions can vary according to the wishes of the students and utilise the best of Brighton, London and other places of interest in the south of England.

TUESDAY | EXTENDED HALF DAY BRIGHTON

Global English students will break their regular weekday routine and leave the campus to enjoy a half-day trip to the cosmopolitan city of Brighton. Students will visit a local attraction and in the evening they will enjoy a recreational activity such as bowling, beach volleyball or a round of crazy golf.

Examples of excursions are:
Brighton Museum, Brighton Pier, Brighton Royal Pavilion

THURSDAY | EXTENDED HALF DAY LONDON

Both Global English and Pathways to Higher Education students will go on a trip to London where they will enjoy seeing one of the attractions, and return to campus in the evening to relax with their friends in the accommodation.

Examples of excursions are:
British Museum, Camden Market, Covent Garden, London Frameless Immersive Art Exhibition

SATURDAY | FULL DAY LONDON

All students will head into London for an extra long day in the capital, accompanied by Activity Leaders to see all of the sights of Westminster, before having supervised shopping time or heading to one of the capital attractions such as the Tower of London or London Eye.

Examples of excursions are:
London Eye, Oxford Street Shopping, Thames River Cruise, Science Museum in London

SUNDAY | FULL DAY

After breakfast, students on both programmes will embark on a full-day excursion to explore a place of their choice, chosen in collaboration with the Activity Manager, such as Portsmouth, Canterbury or Thorpe Park. They will return in time for dinner and social events in the evening.

Examples of excursions are:
Port Lympne Safari Park, Portsmouth Historic Dockyard, Thorpe Park

Academics

PATHWAYS TO HIGHER EDUCATION

ACADEMIC ENGLISH

The morning Academic English sessions develop the students' English language proficiency across the four skills, with a particular focus on the forms of English which are used and encountered in university settings. These include essay writing, note-taking, lectures, seminars and presentations.

ONE TO ONE TUITION

Exclusively in Brighton, students can add extra one to one tuition to supplement their English language experience. These lessons are tailored to meet their personal language learning needs.

EMPLOYABILITY SKILLS

These sessions prepare students for university and future careers through highly practical workshops that build core employability skills, enhance workplace readiness, and strengthen application profiles. Through interactive group tasks and real-world scenarios, students will engage in mock interviews, CV design, leadership exercises, team collaboration, networking, or commercial awareness.

ENGLISH FOR SPECIFIC PATHWAYS

These sessions are themed around the specific pathway that the student has chosen, and provide both an introduction to their chosen discipline as well as the language skills necessary to develop their understanding of it. The classes develop students' abilities to work confidently in English-speaking academic environments and improve their style, technique and accuracy when producing written and spoken work, as well as broaden their vocabulary in the chosen area.

English for Specific Pathways are:*

- English for Humanities
- English for Business & Economics
- English for Law
- English for STEM

Leisure

At Bede's we know that learning extends far beyond the classroom. Our leisure programme offers students the chance to explore their passions and to shape a summer experience tailored to their personal interests. Friendships strengthen through afternoons and evenings spent learning a new skill, joining in a team sport or simply having fun.

FREE TIME OR SPORTS & ACTIVITIES (AFTERNOONS)

Pathways to Higher Education students follow a busy academic timetable and in the afternoons they can choose to either join the organised activity programme or enjoy some free time on campus by engaging in additional study, relaxing in their accommodation or independently venturing into the cosmopolitan city of Brighton in small groups. Students need to adhere to Brighton Behaviour Policy and frequently check in with the centre management team following the guidelines in the Student Handbook, depending on their age. Students can choose their preferred sport or activity from a daily list of options. Examples of afternoon activities include:

SPORTS

- Basketball
- Football
- Tennis
- Ultimate Frisbee
- Zumba

CREATIVE ARTS

- Bake Off
- Illustration
- Jewellery Making
- Mosaics
- Sculpture Projects

SOCIAL EVENTS (EVENINGS)

Social events, organised for Pathways to Higher Education every evening Monday to Wednesday, enable students to participate in the vibrant student life of the University of Sussex campus and in the city of Brighton, whilst forging new friendships and having fun.

Students will take part in the great range of entertainment and events at their disposal in Brighton. The social programme will see students visit the famous beach and pier, as well as many attractions, and shop in the unique and quirky 'North Laine district' during their stay.

In any one week, students might visit the Royal Pavilion in Brighton followed by some shopping time in the boutiques of the Lanes or entertaining themselves in the amusements on the Brighton Palace Pier. Every Friday, there is a Leavers Ceremony on campus followed by a Disco. The Social Events in the city may include:

- Boat Party
- Bowling
- Cinema
- Crazy Golf
- Cycling on the Seafront
- Escape Rooms
- Laser Tag

FLYING ACADEMY

Bede's Flying Academy is optionally available to students at Brighton and offers students an opportunity to pilot an aircraft. Students will have a trained pilot in attendance for the 45-minute flight ensuring that they are able to take control of the aircraft should they need to. The main goal of this academy is to help students gain an understanding of how to pilot an aircraft and can help them with future flying lessons.

Bede's Family of Schools

In June 2026, Burgess Hill School joined the St Bede's School Trust (Bede's Trust). The merger brought together two leading Sussex independent schools with shared values and a commitment to providing an excellent, rounded education. Bede's Trust offers a day and boarding school experience welcoming students from Nursery to Sixth Form. Our international students benefit from our commitment to providing a rich and ambitious education.

The Prep School, located by the sea in Eastbourne, East Sussex, educates children through to 13 years. The curriculum is designed to spark an irrepressible curiosity while nurturing, learning, personal growth and individual development. EAL support is offered alongside highly regarded sporting provision. Creativity in the visual and performing arts is also at the heart of the school. From September 2027, the Eastbourne provision will be extended through to GCSE (Year 11). The Upper School will offer a seamless, boutique educational pathway in a nurturing atmosphere.

Bede's Senior School, located a short distance away in Upper Dicker, offers a high achieving environment for students aged 11 up to 18. The school has over 300 boarders who live in five boarding houses, many of which have won awards for design innovation. The campus spans 120 acres and includes impressive sports facilities including a gym, pool and water-based astro, as well as multiple pitches.

All students at Bede's have their own personal tutor who supports them during their time at the school, ensuring that they settle in well, are happy in their boarding house and thrive academically.

We offer a wide range of academic subjects including GCSE, A-levels and BTECs. Students commonly join the school at Year 9 or Year 12 but we also have a small number of students who join in Year 10. Bede's also offers a Pre-Sixth one year GCSE programme, tailored to the needs of students who do not speak English as their first language, which acts as the perfect preparation for Sixth Form study.

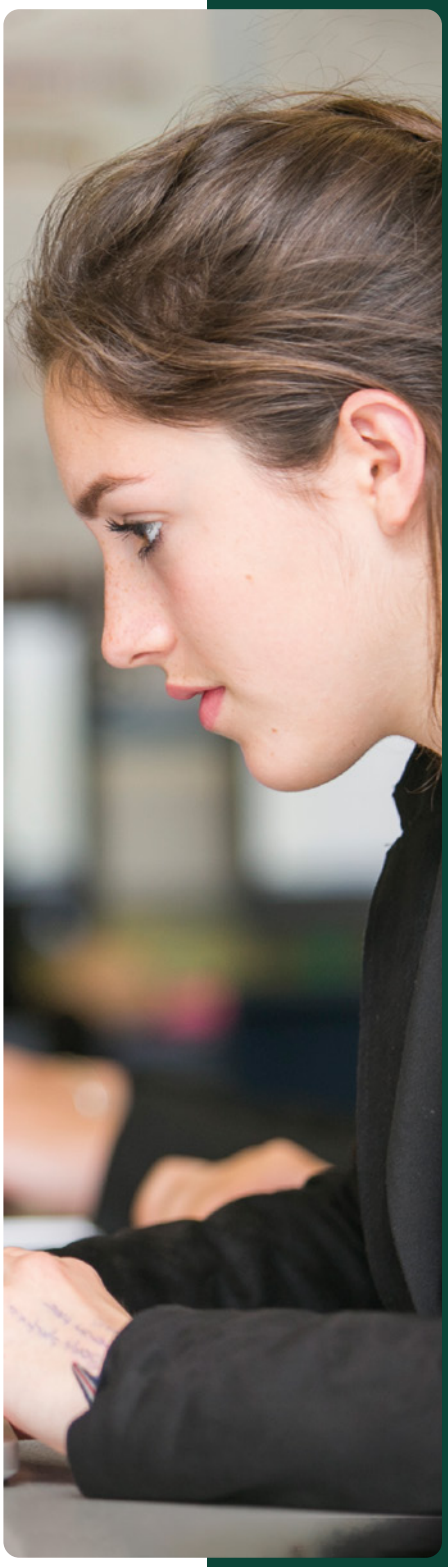

Bede's is particularly well regarded for its sporting provision, offering academies in football, hockey, cricket and tennis. International students benefit from the high level of coaching which is fully integrated into the school day, allowing them to pursue their academic goals and develop English skills alongside.

Our visual and performing arts are also integral to school life and we attract students from across the world for our art programme in particular, which allows students to study art, design and technology, photography and ceramics through to A-level.

Our boarders enjoy busy weekends with a full programme of social events, trips and activities and are encouraged to take advantage of the cultural and academic enrichment programme offered after school as well.

Bede's is a modern school compared to many British independent schools, and our international students have been a valued part of our community since the school was founded over forty years ago. We continue to highly prize the diversity of our community, and are proud that our alumni community continues to be a truly global one.
