#### **Additional information:**

Bede's Summer School, which attracts students from 50+ countries between the ages of 6 to 20 years, is a highly successful enterprise and a renowned part of the overall Bede's offering. All staff are challenged, both individually and collectively, to share the Summer School's ethos and actively contribute towards the Summer School achieving its objectives.

The Academic Programme is crucial for the success of the Summer School experience and is a key contributor to why students return. A first-class teaching programme gives students opportunities not only to enhance their language skills, learn new vocabulary, develop their confidence, and increase their fluency but also to form friendship bonds that can last well beyond the summer. As such, Senior EFL Teachers are expected to help the Academic Manager create and participate in an environment that facilitates and fosters team building, cooperation, and inclusiveness. Students who make only minimal progress in English will consider that they have been failed by Bede's Summer School.

The job holder needs the skills, technical know-how and teaching experience to ensure the effective delivery of a balanced, stimulating, and inspiring programme of English Lessons, Language Activities, Workshops, Projects, and Exam Preparation Classes for up to 270 students, who, due to their varying ages, backgrounds and cultures, will all have very different expectations and preferences and a different idea of what an outstanding teaching programme means.

They need to be able to think quickly and show common sense and attention to detail in a wide range of situations when dealing with staff and students. Adaptability and flexibility are critical skills, as is a cheerful, positive, and can-do attitude, which is a prerequisite of the job.

Mondays are particularly challenging as there is pressure to get all newly arrived students tested and put into class as soon as possible, whilst continuing to manage the current classes and undertake the day-to-day academic tasks and duties. On Fridays, there is pressure to get reports checked, signed off and printed in time for the Leavers' Ceremony on Friday evening.

As well as taking responsibility for the delivery of accountabilities under their direct control, all members of the Centre Management Team are expected to make a significant contribution to the overall effectiveness and running of the Summer School. The Teachers' Preparation Room can get very busy, especially at the beginning and end of the week; as such, high levels of resilience are required by the jobholder, as well as the ability to prioritise work and work accurately and effectively in a fast-paced and often quite demanding office environment.

Senior EFL Teachers will maintain appropriate boundaries between themselves and the students, and staff with whom they work and come in contact during their duties. This may be particularly challenging for Senior Teachers who are close in age to the Teachers in their team.

The working day is long and involves lots of contact time with the EFL Teachers and Students which can be very challenging, but it is also varied and fast-paced and of course, living and working with young people can be immensely rewarding.

Senior EFL Teachers are expected to lead by example and are considered ambassadors of Bede's Summer School. As such, they must contribute to upholding the good name of Bede's and at all times, whether on duty or off duty, in uniform or not, Senior Teachers must act appropriately and do nothing that may compromise or jeopardise the school's excellent reputation in the local, national and international community.

Senior EFL Teachers are residential to offer students a first-class pastoral and welfare service; even when off duty, they must be willing to 'leap into action' in case of any emergency that may arise, especially during the night.

Our goal is to give students an educational, culturally enriching, enjoyable and memorable summer experience in a safe and supervised setting. We only employ Managers who are willing to accept this responsibility and who have the necessary wide-ranging skills, experience, disposition, and commitment to help us achieve our goal of being the very best Summer School.
