Additional information:

Bede's Summer School, which attracts students from 50+ countries between the ages of 6 to 20 years, is a highly successful enterprise and a renowned part of the overall Bede's offering. All staff are challenged, both individually and collectively, to share the Summer School's ethos and actively contribute towards the Summer School achieving its objectives.

The working environment can be highly pressured and very demanding, as there are often many enquiries to respond to on behalf of students, staff, parents and agents, last-minute changes to schedules, missing details to chase, students to find, paperwork to complete and many minor issues to resolve on a daily basis.

The administrator will usually be the first point of contact for students, staff, parents, agents, and host-school staff visiting the office and they must deliver a warm and welcoming greeting service and deliver exceptional levels of customer care.

They must have their finger on the pulse as to what is happening at all times and take full responsibility for the smooth and effective running of the Office, which acts as the administrative hub for the Centre.

As such, much resilience is required by the job holder, as well as the ability to prioritise work and work accurately and effectively in a fast-paced office environment in order to maintain a calm, effective and professional approach to the task at hand and provide a first-class reception and customer care service to students, staff, group leaders, parents and agents.

Working closely and collaboratively with the Centre Director, adaptability and flexibility are critical skills, as is a cheerful, positive, and can-do attitude, which is a prerequisite of the job. The job holder needs to be able to think quickly and show common sense and attention to detail in a wide range of situations.

The job involves much handling of cash (Pocket Money, and Petty Cash), often in front of staff and students; it goes without saying that the utmost care and discretion is required to ensure the safety and security of cash at the Centre.

The working day is long, intense, and often quite challenging (especially on arrival and departure days when there are lots of things happening at the same time) but it is also varied and fast-paced and of course, living and working with young people can be immensely rewarding.

Administrators will maintain appropriate boundaries between themselves and the staff and students with whom they come into contact during their duties. They are expected to lead by example and are considered ambassadors of Bede's Summer School. As such, they must contribute to upholding the good name of Bede's and at all times, whether on duty or off duty, in uniform or not, Administrators must act appropriately and do nothing that may compromise or jeopardise the School's excellent reputation in the local, national and international community.

Administrators are residential to enable Bede's to offer students a first-class pastoral and welfare service. Even when off duty, Administrators must be willing to "leap into action" in case of any emergency that may arise, especially during the night.

Our goal is to give students an educational, culturally enriching, enjoyable and memorable summer experience in a safe and supervised setting. We only employ Managers who are willing to accept this responsibility and who have the necessary wide-ranging skills, experience, disposition, and commitment to help us achieve our goal of being the very best Summer School.
